

## **Boater X Rules**

1. Paddlers must make all gates. Failure to negotiate a gate is an automatic disqualification.
2. No malicious intent to injure. In other words, bumping is racing but intentional intent to harm another paddler is automatic disqualification.
3. Top two paddlers of each heat advance towards the final heat of four.
4. No boats longer than 9'10"
5. To successfully clear a gate a boater must pass through each gate from their waist up.
6. Judges will decide disqualifications.
7. The number of entries will decide number of heats.
